

Yvonne's Bichons

Reservation Deposit Agreement

This agreement is for the reservation and deposit of a Bichon Frise puppy. It is understood that this dog is sold as a companion dog only and not as a show/breeding dog. Puppy may be of *show quality* and will be registered with the American Kennel Club but with a *Limited Registration*. No pups sired by or out of this dog are eligible for registration. Dog may still be shown in other AKC events such as Obedience, Tracking and Agility.

PUPPY SELECTION: As a breeder it is very important to match a puppy to its new family. Selection of this pup is based on information you share with me about your family. Children, ages of children, activities whether an older adult or very active family, other pets, all are considered.

DEPOSIT AND PRICE: My dogs vary in price based on each individual evaluation. However, they will be priced from \$850.00-\$950.00. On occasion there may be a pup priced lower. Deposits are \$200.00 and all deposits are to be considered nonrefundable. Your puppy is to be paid for at the time of pickup. In the case of shipping, your puppy is to be paid for before shipping. This must be done with Postal Money Order, Cash or Visa through PayPal.

REGISTRATION: You will receive a Registration Application from me provided by the American Kennel Club. It will be a Limited Registration as stated above. It may or may not be given at the time of sale.

SPAY/NEUTER: It is suggested to spay or neuter by the time your dog is 6 months old. These procedures usually eliminate behavioral problems and health issues at a later date. Seller reserves the right to withhold registration papers until proof of spay or neuter.

HEALTH GUARANTEE: Your pup will come with a Health Guarantee included in the **Contract**. Your pup will have had a vet check; will be up to date on vaccinations and up to date on worming. You must take your pup to a veterinarian within 48 hours (excluding Sundays and holidays) from the time that you or your agent receives the pup. If you are unable to take your puppy to your regular veterinarian you must take your puppy to any other licensed veterinarian. That includes weekends. You will be provided with your puppy's health record, which you will provide to the veterinarian. He will advise you when to come back for other vaccinations. If the veterinarian finds a health condition or defect that would make the puppy unsuitable for a pet, the pup and a written statement from your veterinarian stating the problem must be returned to the seller immediately. The only exception is if the veterinarian finds the pup unfit for flight. Should you not take your puppy for its examination, you will assume full responsibility for its health. All expenses are the responsibility of the buyer. Buyer may take another pup of equal quality or better if available or a refund of the purchase price.
